ACPOC MEMBER PROFILE QUESTIONNAIRE

An important membership benefit is the web site and access to a members only page. Initial access requires confirmation of active membership, followed by setting of your access password. An important goal of the members only page is to facilitate communication between members. Therefore at the initial sign in, each member will also be asked to fill out a short survey. This information will allow sorting of members for networking opportunities. Please make sure your membership is active (paid by June 1st) for continued access.
